STAT

Area of Coverage: China

Subjects Covered: Labor regimentation and ideology.

Scholarship Evaluation: Propaganda

Review: Brochure explains why the working class is the leader of the Revo-
 lution, what constitutes working class ideology, and what should be
 emphasized in creating this ideology. Although Marxism, - Leninism,
 and Maoism are emphasized as necessary studies, the brochure points
 up the need for workers to respect labor and collectivism, and to
 practice economy, diligence, and good health habits as constituent
 parts of their ideology.
